

## SPONSORSHIP OPPORTUNITIES

We welcome your participation as a sponsor and appreciate your consideration of this request. Should you elect to do so, you may sponsor the entire event, or spread your contribution over a combination of events as a partial sponsor. You may also elect to contribute to our General Fund. By doing the latter, you will allow us to best allocate your contribution. Any corporate promotional items are most appreciated and will be included in all delegate packages. We will be pleased to provide the opportunity for Gold and higher level sponsors to have a corporate display. All excess conference funds will be dedicated to funding geoscience student research at area universities.

Item / Event	Qty. / No.	Unit Cost	Total Cost
Oral Session	6	\$2,500	\$15,000
